3. Accountancyschool.ie is one of CIMA's Advanced category of tuition providers here in Ireland. They currently deliver a range of programs for the Professional level of the CIMA qualification including a four week programme to prepare candidates for the Management Integrated Case Study. Accountancyschool.ie have offered qualified members of CPA Ireland a discount on this four week programme bringing the cost to €600

4. Other Study resources

The study resource area on CIMAconnect is available once CPA Ireland members register with CIMA.

Researching the Professional CIMA qualification is also recommended and will act as a point of reference to review and understand the background behind those CIMA subjects for which CPA Ireland members are eligible for exemptions.
