Example of an audit report on the financial statements of an Irish company prepared in accordance with ISA 700 (Ireland)
Care should be taken to tailor this sample report to the circumstances of the specific engagement.

ISA 700 (Ireland) format - applicable to accounting periods beginning on or after 17 June 2016

- Irish Private Company
- FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland is applied by the company
- Auditor is not required, and has otherwise not decided, to communicate key audit matters in accordance with ISA (Ireland) 701

INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF [COMPANY NAME]

Report on the audit of the financial statements

Opinion
We have audited the financial statements of [name] (‘the Company’) for the [year/period] ended [date], which comprise the [specify the titles of the primary statements] and notes to the financial statements, including the summary of significant accounting policies set out in note [ ]. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the Company as at ………….. and of its profit [loss] for the year then ended;
- have been properly prepared in accordance with FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion
We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are [further] described [below][in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report.] We are independent of the Company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), [and the provisions available for small entities, in the circumstances set out in Note X]2, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern
We have nothing to report in respect of the following matters in relation to which ISAs (Ireland) require us to report to you where:
- the directors’ use of the going concern basis of accounting in the preparation of the financial statements is not appropriate: or

---
1 The terms used to describe the primary financial statements should be the same as those used by the directors.
2 Delete the words in square brackets if the relief and exemptions for audits of small entities provided by the Ethical Standard for Auditors (Ireland) are not utilised.
the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company’s ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information
The directors are responsible for the other information in the annual report³. The other information comprises the information included in the annual report other than the financial statements and our auditor’s report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014
Based solely on the work undertaken in the course of the audit, we report that:

- in our opinion, the information given in the directors’ report is consistent with the financial statements; and

- in our opinion, the directors’ report has been prepared in accordance with [applicable legal requirements] [the Companies Act 2014]

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

---

³ The term used to describe the annual report should be the same as that used by directors.
In our opinion the accounting records of the Company were sufficient to permit the financial statements to be readily and properly audited, and financial statements are in agreement with the accounting records.

**Matters on which we are required to report by exception**

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors’ report.

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors’ remuneration and transactions required by sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

**Respective responsibilities**

**Responsibilities of directors for the financial statements**

As explained more fully in the directors’ responsibilities statement set on page [ ], the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company’s ability to continue as going concerns, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

**Auditor’s responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Further details relating to our work as auditor is set out in the Scope of Responsibilities Statement contained in the appendix of this report, which is to be read as an integral part of our report.

[Or alternatively to the above:]
Option A - [A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: http://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description_of_auditors_responsibilities_for_audit.pdf . This description forms part of our auditor's report.]

Option B – [Included the full detail of the appendix to the report within the report here.]

The purpose of our audit work and to whom we owe our responsibilities
Our report is made solely to the Company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company’s members those matters we are required to state to them in an auditor’s report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company’s members, as a body, for our audit work, for this report, or for the opinions we have formed.

Further information regarding the scope of our responsibilities as auditor
As part of an audit in accordance with ISAs (Ireland), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the (consolidated) financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group and the parent Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by [management] [insert specific term, e.g. trustees, directors].

- Conclude on the appropriateness of the director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group and the parent Company's ability to continue as going concerns. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group or the parent Company to cease to continue as going concerns.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
